

Welcome to  
The Village of  
Gurnee

# East Grand Avenue Meet-and-Greet

## What?

The East Grand Avenue Gateway is just what the name suggests...a gateway to Gurnee! Revitalization of this area is a high priority for the Village of Gurnee, and it all starts with the businesses and residents who are invested here.

Come meet your Gurnee neighbors, Mayor Kristina Kovarik, Trustees, and Village staff. Find out what the Village has planned for the East Grand Avenue area in 2017, hear about upcoming construction projects (including the start of railroad bridge reconstruction this Spring), and share your ideas for special events and shopping/dining promotions that will bring "buzz" to East Grand Avenue.

## Who?

If you live or work near East Grand Avenue (east of Route 41), you are invited!

## When?

Monday, April 10 - 9:00 a.m. OR 6:00 p.m.

\*Two programs - attend whichever is most convenient\*
