Crime Prevention:

Officer Butur led a discussion about the cannabis law that will go into effect on January 1, 2020 and the impact it may have in our Village. The Village Board is also considering the option to allow a recreational dispensary in town, based on the guidelines of the new law. Residents were encouraged to visit the Village of Gurnee website to take a short survey to express their opinion on the topic. Further information and presentations about where the dispensary would be located and how this may impact the community can also be found by visiting

An additional survey will be sent through the Connect CTY messaging system in October. Please update or register your phone number by visiting <https://11297163.bbcportal.com/>.
