# Questions?

OPEN DISCUSSION

# Common Questions From Residents

- 
- Distracted Driving
  - Aggressive Driving
  - Phone Scams
  - Crime Prevention at Home
  - Most Frequent Police Activity

## Pushing Buttons

Taking your hands off the wheel to change stations or manipulate the temperature are **manual distractions**

## Visual Diversions

Looking at an accident, glancing at a text message, watching kids in the back seat are visual distractions

## Day Dreaming

Taking your mind off the act of driving to daydream, think about a problem at work or home, or making your mental "to-do" list are cognitive distractions

# What is Distracted Driving

Any activity that diverts attention from driving. You cannot drive safely unless the task of driving has your full attention. Any non-driving activity you engage in is a potential distraction and increases your risk of crashing.

## Illinois Law

Illinois law prohibits the use of hand-held cellphones, texting or using other electronic communications while operating a motor vehicle.

Hands-free devices or Blue Tooth technology is allowed for persons age **19 and older**.

Drivers may go hands-free when:

- Your car is in park
- You are pulled over on the shoulder
- To report an emergency

# What Is Aggressive Driving

Operation of a motor vehicle in a manner that endangers or is likely to endanger others or property.

## Examples

### 1. Do not retaliate or engage the other driver

Continue to drive safely to your destination. Engaging the other driver may provoke the situation.

### 2. Get out of the way

When it is safe to do so, move out of the way and allow the driver to pass. Set an example of a safe driver.

### 3. Do not make eye contact

Focus on your driving and remain calm.

Yelling or  
throwing objects

Slamming on the brakes  
in front of a tailgater

Passing on the shoulder

Repeatedly  
honking / flashing lights

Cutting off another vehicle

Speeding / Tailgating

### 4. Do not underestimate the driver's potential

Aggressive drivers often try to intimidate others. In extreme situations, the driver may illustrate intent to harm others with their vehicle, weapons, or confrontations outside the car.

### 5. Keep doors and windows locked. Call police if you fear you are in danger.

Aggressive driving can be reported to police for investigation. Obtain the plate number, vehicle description (make, model, color), and the last known direction of travel.

Impersonators

Caller states they are a family member. Makes claims you must send money to bail family member out of jail or pay medical bills.

Caller states they are a government agency (Social Security Administration, IRS, Police Department). Claims you must pay fines or you will be arrested.

Charity Solicitation

Scams requesting donations for disaster relief efforts are common with recent events in Australia, Puerto Rico, and California. Research the charity before agreeing to donate money.

Prize or Travel Winner

Caller claims you've won a prize or promises you a free vacation. To claim your prize pay the registration, shipping costs, or processing fees. After making payment, victims usually discover there was never a prize.

DO

- Register your phone number with the National Do No Call Registry. You can register online or by calling 1-888-382-1222. Receiving calls after registering is an indicator the call is a scam.
- Hang up on suspicious calls.
- Be cautious of caller ID. Scammers can change the phone number displayed on the screen.

DON'T

- Don't respond if caller starts by asking, "Can you hear me?" Saying "yes" can be used as a recorded response and proof you agreed to a purchase or credit card charge.
- Don't provide your credit card number, bank account info, or personal information.
- Don't send money via wire transfer, or pay with a gift card.

## Crime Prevention

What can you do to protect your property from criminals?

## LOCK Doors

- Always lock your doors overnight or when leaving your home or vehicle, even if only for a few minutes
- Exterior home doors should be secured with deadbolt locks
- Consider doing a 9:00 PM routine

## TAKE Valuables

- Never leave valuable items in open view in the car or on the countertop
- Remove valuables from your vehicle
- Spare change is valuable to thieves - don't leave the temptation

## HIDE Property

- Hide valuable property that can be seen through windows
- Avoid obvious places to hide your expensive possessions (drawers, under the mattress)
- Hide cellphone or wallet in pocket while shopping

## Utilize Neighborhood Watch

- Talk with neighbors about suspicious/criminal activity in your area
- Keep Gurnee Police informed of suspicious activity
- Encourage neighbors to attend meetings

## Crime Prevention Through Environmental Design

- Landscaping should provide maximum visibility to your home
- Keeping shrubs and bushes trimmed minimizes a person's ability to hide behind them
- Store landscaping tools in a secure area such as the garage
- Light potential entry points such as doors, garages, windows
- Set lighting timers to give the impression someone is home
- Take inventory of our valuables. Log serial number, make, model, and estimated value

## Vacation Strategy

- Arrange for newspapers and mail to be collected while away
- Enlist services for lawn care or snow removal
- Leaving town for 3 days to 3 weeks visit the police department for a Vacation House Watch
