Neighborhood Watch Meeting

POLICE ACTIVITY

Summary of neighborhood activity for 2019

In 2019, The area from Glen Flora Ave., north to Country Club Ave. had 663 police calls. Of the 663 calls received, 40 were actual crimes that get reported to the FBI for analysis. The rest of the calls are considered quasi-criminal, traffic related, and service related.

In the area from Crecent Ave., south to Grand Ave., (including the businesses along Grand Ave.) there were a total of 2,979 calls in 2019. Of those calls, 92 were considered crimes that are reported to the FBI.

More details about what crimes occurred can be reviewed in the presentation posted online.

CRIME PREVENTION

Summary of crime prevention topic

Officers presented information regarding the most frequently asked questions received from residents. Topics included distracted and aggressive driving and what residents can do when they witness these types of driving. We also outlined some of the most common phone scams officers have taken reports for in the past few months.

We always receive questions about the best way to protect your home and personal property from crime. We discussed some of the most effective and inexpensive measures you can take to keep your property safe.

Finally, we showcased the 10 most popular calls our officers went to in 2019. Did you guess our most popular police activity? Find the answer in the presentation posted on the Village of Gurnee website on the Neighborhood Watch page.
