

Southridge Fairway Ridge Rolling Ridge

Neighborhood Watch Meeting

POLICE ACTIVITY

Summary of neighborhood activity for 2019

In 2019, the Southridge neighborhood had 345 police calls. Of those calls received, 5 were actual crimes that get reported to the FBI for analysis. The rest of the calls are considered quasi-criminal, traffic related, and service related.

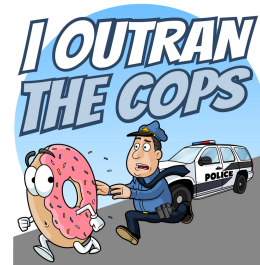

In the Fairway Ridge, Rolling Ridge, and Wentworth areas there were a total of 640 calls in 2019. Of those calls, 17 were considered crimes that are reported to the FBI.

In 2018, these neighborhoods saw an increase in burglaries from motor vehicles. In 2019, this activity significantly decreased. Great work keeping those doors locked and lights on at night!

More details about what crimes occurred can be reviewed in the presentation posted online.

UPCOMING EVENTS

- JUNE 13 - OUT RUN THE COPS

- JUNE 23 - BLOOD DRIVE (POLICE DEPT)
- AUG 6-9 - GURNEE DAYS

SEE NEXT PAGE FOR MORE INFORMATION

Thank you to Tina's Italian Cafe & Bake Shop for providing delicious brownies for our Neighborhood Watch Meeting attendees!

CRIME PREVENTION

Summary of crime prevention topic

Officers presented information regarding the most frequently asked questions received from residents. The first topic included distracted driving. Officers discussed what is considered distracted driving, ways to avoid being distracted, and what the police are doing to stop drivers from engaging in this behavior.

The second topic covered aggressive driving and how to protect yourself when encountering these types of drivers.

And finally, we covered phone scams. Many of us receive several phone scams a day, but how can you protect yourself from being a victim? We discussed common types of scams and how people are being tricked into giving into phone scam threats. We also discussed what cellphone companies and the government are doing to keep you protected. Check out the presentation for more information.
