

Village Of Gurnee

Adopt-A-Roadway Program

The Village of Gurnee Adopt-A-Roadway program gives individuals and groups an opportunity to support anti-litter efforts by adopting a section of Village roadway for the purpose of litter collection.

Sections of adopted roadway are between ½ to 2 miles in length. Groups perform litter collection a minimum of two times a year, for the duration of the two-year adoption period.

Groups must provide one adult supervisor 21 years of age or older for every five youths under the age of 18 present on the adopted section of roadway. No one under the age of 10 may participate in litter collections due to safety concerns. Litter collections can only be conducted between one hour after sunrise and one hour before sunset, in fair weather during non-rush hour traffic times.

For more information regarding the Village of Gurnee Adopt-A-Roadway program, please contact the Gurnee Public Works Department at 847-599-6800. For those parties interested in adopting a state or county highway, please contact the Illinois Department of Transportation at 217-782-6953, or the Lake County Division of Transportation at 847-377-7400. Thanks for participating.

Adopt-A-Roadway Program Guidelines for Participation

- The Adopt-A-Roadway Program is open to any group, business, family, or individual within the Village of Gurnee.
- Program participants must be a minimum of 10 years old. Groups with members under the age of 18 must be supervised by an adult 21 years of age or older. At least 1 adult is required for every 5 participants less than 18 years old.
- Groups are requested to adopt a ½ to 2-mile section of Village road for a minimum period of two years.
- Litter should be collected from the adopted road as needed. Groups must collect litter from their adopted roadway no less than two times a year.
- You may request a specific section of road for adoption.
- Adopt-A-Road signs, including the adopted organization's name, will be installed along each of the adopted sections.
- Safety warning signs, safety vests, and plastic trash bags will be provided to each group for use during scheduled cleanup sessions.
- A youth participation release form must be signed and returned to the Gurnee Public Works Department, 1151 Kilbourne Road, Gurnee, IL for all children under the age of 18 participating in the Adopt-A-Roadway Program.
- A designated group leader will be required for each organization to serve as a liaison with the Village of Gurnee. The group leader will be responsible for signing the adoption agreement, scheduling the cleanup dates, checking out and returning cleanup and safety gear, and ensuring compliance with cleanup and safety procedures.

Cleanup & Safety Procedures

1. All participants must be aware that working along a public road may be hazardous, and strict adherence to these procedures is required.
2. All participants must be made aware of all the safety procedures prior to participation in a cleanup.
3. Groups with members under 18 years old must be supervised by adults 21 years or older (1 adult per 5 members under 18). All participants must be a minimum of 10 years old.
4. Cleanup attire should consist of light colored clothing that covers arms and legs, heavy gloves, and sturdy soled footwear.
5. Litter collection must be performed during daylight, non-rush hours, and in periods of good weather conditions.
6. Participants must meet at a designated area outside the cleanup area to review cleanup & safety procedures. Participants should carpool to the cleanup area.
7. Group members must arrive on site wearing their safety vests. Safety vests must be worn at all times during the cleanup.
8. Upon arrival, groups must open the Village of Gurnee provided safety warning sign affixed to the Adopt-A-Roadway sign. Please do not forget to close it at the end of the day.
9. Teams must work facing oncoming traffic at all times. Teams should stay away from construction sites and other maintenance activities.
10. Cleanup should be performed off the roadway only. Avoid performing cleanup in the roadway itself.
11. Appoint a spotter to observe traffic conditions when working near the roadway.
12. If emergency vehicles come into the area, remember that cars will be pulling onto the shoulder area to let them pass.
13. Trash bags should not be overfilled. Tie bags securely using the top portion of the bag. Place bags beside the outer edge of the shoulder or behind the curb where the bags will not be hit by vehicle traffic.
14. Never pick-up or handle discarded car batteries, animal carcasses, potentially dangerous/hazardous materials, or any object that appears questionable. Group leaders should report these items to the Village Public Works Department.
15. Alcoholic beverages and drugs are prohibited at all times.
16. Never distract motorists with horseplay or abrupt, erratic movements.
17. Group leaders are responsible for ensuring compliance with cleanup and safety procedures, retrieving and returning safety equipment to the Public Works facility, and reporting hazardous materials. Additionally, a first aid kit and plenty of water should be made available at every cleanup site.
