## CONDITIONS AND POLICY

Persons desiring to use Village water for construction or landscaping purposes shall make application in writing and file the same in the office of the Department of Public Works. Upon permission being granted, an account will be created by the Department of Public Works. All water used is charged at the current water rate per 1000 gallons, or fraction thereof plus an administration service fee. It shall be the responsibility of the authorized person as indicated below to reimburse the Village of Gurnee for any damages to the meter, valves, hoses, or other accessories that may result from misuse or neglect. The undersigned agrees to pay any replacement and/or repair costs within fourteen days of invoice.

**No water will be taken from any Village station without the above conditions being satisfied.**

I have read and agree to the conditions and acknowledge responsibility to pay for any charges incurred.
